March 2014

### **OLYMPIC Banking System maintains its leadership in the Core Banking System market**

The 2014 Sales League table published by IBS Intelligence confirms the results of their previous market study: Of all the wide range of banking applications covered by the survey, the OLYMPIC Banking System continues to have the largest total number of clients whose primary focus is Private Banking.

Nicholas Hacking, Sales Director, ERI commented: "We are delighted to see that once again an independent analysis of the market confirms the position of the OLYMPIC Banking System as the most widely installed integrated core banking application in the area of International Private Banking."
