Successful go live of OLYMPIC Banking System for its first implementation in southern Africa

ABN AMRO ID&JG rolled out the OLYMPIC Banking System in Botswana only a few days after the bank obtained its licence. This launch represents an important milestone for ERI as it strengthens its presence on the African continent and shows the OLYMPIC Banking System capabilities.

For the International Diamond and Jewellery Group, its business unit for the financing of the diamond industry, ABN AMRO has opted to deploy the OLYMPIC Banking System with a multi-entity configuration to support its activities in various countries including Botswana.
