**Successful go-live for Bank Frick & Co. AG, Balzers (Liechtenstein), on the latest version of the OLYMPIC Banking System**

ERI is delighted to announce that Bank Frick & Co. AG has successfully installed the latest version of the OLYMPIC Banking System. The extensive functional coverage and Service-Oriented Architecture (SOA) inherent to this version will enable the bank to meet all its client service and market related-requirements. The extensive range of browser-based modules available in the OLYMPIC Banking System will also give the bank the means to further expand and support its banking operations in the future.

Bank Frick & Co. AG, based in Balzers, Liechtenstein, is a traditional family-run private bank with a subsidiary in the United Kingdom. Its business activities include wealth management, investment advisory services for private and institutional clients, business start-ups and disposals, domestic and foreign tax consultancy and planning, wealth and estate planning, tax declarations, accounting, development and fund management.
