December 2009

### **Bordier International successfully upgrades to OLYMPIC Banking System latest version**

ERI is pleased to announce that Bordier International Bank & Trust Ltd, based in the Turks and Caicos, has completed the upgrade to the SOA-compliant version of the OLYMPIC Banking System.

To drive its business forward, the bank has chosen to extend its partnership with ERI with a modern, integrated, Front-to-Back Office solution.

The project will facilitate the delivery of the top quality service that the bank provides to its clients, as well as help Bordier International enhance its banking activities. Thanks to the upgrade, the bank has now enriched its platform with a wealth of reporting functionalities.
